## Kid Friendly Napa

The Napa Valley is considered one of the world's premier romantic destinations for couples. It also happens to be a great "Drive To" destination for families from Reno, Southern California, Arizona and Oregon.

Napa has become more family friendly than ever and the number of kids visiting the area continues to grow. Great attractions such as Castello Di Amorosa and the Wine Train offer special programs catering to families. The new riverfront and downtown areas are also fostering businesses that cater to kids. Restaurants, such as "The Little Gourmet", and several of the wineries are even providing kid-friendly cooking classes.

Here at RiverPointe, we have expanded our focus on kids' activities. The most popular of these has been our Segway of Napa Valley tours, in which participants drive Segway scooters on a guided tour. Some of the most favorite Segway tours include the Napa trail tour, Downtown Napa, Yountville

## Keeping it Green

As we continue to make improvements throughout RiverPointe, we strive to keep our environment in mind. One of the many steps recently taken includes new lighting in the units. Our incandescent bulbs have been replaced with compact fluorescent bulbs and the new lighting fixtures in the units use the high efficiency CFL bulbs. Additionally, we are working with PG&E and consultants to improve the electrical efficiency of the units and the pool areas.

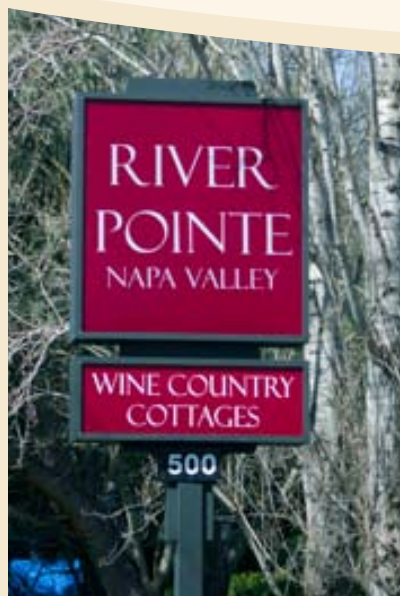

Green thinking is a focus in other areas as well. All new mattresses are made of plant based and recyclable materials. Changes have been made to the landscaping to conserve even more water. Laundry soap and other cleaning products are also all "Green" to be environmentally friendly.

Recycling is a key component of our "Keeping it Green" and you will find recycled wine barrels in each BBQ area.

Recycling bags are also under the unit sinks for your convenience. We are proud to report that over the past 12 months your resort has recycled over 13,000 lbs. of paper products, 2,600 lbs. of bottles and cans and more than 19,500 lbs. of Green Waste.

As always, Grand Pacific Resorts and RiverPointe Napa Valley are dedicated to "Keeping it Green".

and Mt. St. Helena. RiverPointe's movie theater and game room have become very popular and are a great venue for all of the new and expanded crafts.

Next visit you may want to consider bringing the kids along!

## Employee Of the Quarter

RiverPointe Napa Valley is having a banner service year thanks to the best staff we have ever had. Each member of the RiverPointe family has been giving their all to take care of our Owners' needs at your home-away-from-home. This makes it a challenge to choose an Employee of the Quarter from our great staff.

I am proud to recognize one employee who has consistently delivered great service. This honor goes to Frank Guevara. His dedication to Guest satisfaction goes far beyond expectations. He regularly goes out of his way to provide personal assistance to Owners on issues ranging from broken luggage and car trouble to restaurant recommendations.

Thank you and congratulations to Frank and the entire RiverPointe Family on a job well done.

# O Canada!

## Grand Pacific Resort Management's Newest Resort at Panorama

Nestled in the Canadian Rockies within the Panorama Mountain Village, we welcome our newest resort property, Panorama in British Columbia.

Panorama Mountain Village is in a locale rich with rugged natural beauty and wildlife. Approximately three-and-a-half hours southwest of Calgary and close to Banff and Kootenay National Parks, this spectacular 53-unit property is perfectly situated for visitors to enjoy the outdoors all year long.

Surrounded by creeks, lakes, forests, and mountains, the resort offers an ongoing abundance of seasonal outdoor activities – many of them right on site. Well known for being an excellent ski mountain, Panorama boasts North America's longest vertical descents and the largest slope-side hot pools in all of Canada.

In winter months, choose from on-site downhill, cross-country, and heli-skiing. Strap on the snowshoes and hike in the woods. Summertime offers golf, tennis, horseback riding, rafting, hiking, cycling, nearby hot springs, and ATV excursions right outside your door.

In addition, there are pools, hot tubs, saunas, pubs, shops, restaurants, as well as special events for families and children.

And after a fun-filled day in the fresh air, stock up at the on-site general store, prepare a family dinner in the fully equipped kitchen and relax in front of your own roaring fireplace.

Grand Pacific Resort Management (GPRM) is honored to be Panorama's management company, and we look forward to serving our new family members in Panorama, Canada.

If you've ever longed to escape into a tranquil mountain setting with babbling brooks, beautiful forests and endless wildlife, Mountain Retreat is the place.

This recent addition to the Grand Pacific Resort Management family rests 4500 feet up in the Sierra Mountains in the quaint historic mining town of Arnold, California. Located in the heart of California's Gold Country, just a few miles from Big Trees State Park, and surrounded by the area's finest golfing, The Sequoia Woods Golf Course, this resort is a "hidden gem".

Mountain Retreat, an RCI Gold Crown resort, offers a myriad of activities to partake in such as award-winning wineries (try the zinfandel!), open air concerts and all things outdoors - hiking, kayaking, rock climbing, trout fishing, boating, and even panning for gold!

For all you winter enthusiasts, Bear Valley Ski Resort is just down the road and there are an abundance of cross-country ski trails and snowmobile parks. Mountain Retreat has a little something for everyone including wood burning fireplaces just perfect to curl up with a book.
