

Wine, Art And Wheels

As our Members and other timeshare Owners "revisit" RiverPointe, it is important to make sure we are keeping our activities fresh and exciting. More activities for younger Guests are being added as well.

A big hit this summer has been the "Crafts a la Cart". This is a menu of crafts for all ages, providing the tools for inspired creations ranging from jewelry boxes and bird houses to model cars. Our \$20 Segway rides have also been well received. A one-hour tour of the Napa River Trail and the "Oxbow" has proven fun for the whole family.

Of course, wine still draws the crowd. Three wine tastings a week are being offered to ensure we have the opportunity to share new wineries with you. We still like to keep our old

Your Reserve Dollars at Work

Your management company, Grand Pacific Resort Management, has a dedicated team of professionals that identify needed work to ensure our facilities are in excellent condition.

Below is a list of the recent projects that our Maintenance Team performed in conjunction with recommendations established by management:

- All units were completely repainted inside and out.
- All units have brand new lattice.
- 66 Units received new furnishings.
- Working with the management company's designers, I was able to personally develop, print and frame new art work for all the units costing the Association for supplies only.
- Everyone's favorite is the new linen package with high quality linen, washable duvets, pillows of varying

firmness and decorative pieces complete with origami towel puppies to welcome you.

- The walkways around the clubhouse and the pool and spa have been resurfaced.
- To help improve our service to you, our call accounting software was updated and additional golf carts for housekeeping were added.

All this work was accomplished without raising maintenance fees in 2010 through detailed strategic planning, maximizing our in-house resources and the bulk buying power of Grand Pacific Resort Management. As always, we are dedicated to providing you with the most value possible. We hope you will enjoy all the improvements during your next stay and we look forward to your feedback.

Employee of the Quarter

During another very busy season at RiverPointe, Anna was the anchor of the Front Desk team that had numerous staffing challenges. She went above and beyond to help cover shifts, stay late and generally do whatever was asked to address Guest and staffing needs. Throughout the quarter, Anna maintained a "can do" attitude and a smile. For these reasons we have named her employee of the 2nd quarter of 2010.

It would be difficult to list all the great offerings such as our downtown walking tour, wine tours, and art show; however, we invite you to view our daily activity postings on Facebook or call the Front Desk for a Weekly Activity Schedule.

As always, I appreciate Owner input and would love to hear your great ideas. Please feel free to contact me directly at jttenery@riverpointenapa.com.
